These particulars have been produced with the approval of our client, but all measurements should be taken as approximate and we do not recommend using them as a guide for floor coverings. Purchasers must satisfy themselves as to the condition of the property/outbuildings and to the condition and serviceability of any fixtures and fittings, including the central heating system and boiler etc. NB: Please note that we have not checked whether the property, or any part of it, complies with the planning acts or building regulations. This should be checked by your surveyor or solicitor.
